The Deputy Commissioner exhorted the BDOs to implement the scheme as per the guidelines of AAGY, along with maintaining the quality of work as per the Plans & Estimates. He especially focused on the quality of solar lights being proposed under various model villages. The BDOs were also instructed to finalize and submit the Plan & Estimate (with due TS from a competent authority) and the Village Development Plan (VDP) on or before 03/06/2023 to the District Administration for onward submission to the T&D department, Govt. of Assam. The Deputy Commissioner further focused on the importance of convergences of schemes being implemented by the various line departments. In this regard, he requested the line departments to ensure that various schemes being implemented by their department subsumed the four model villages. He also directed the local representatives to closely monitor the quality of work and report any notion of sub-standard work(s) to the district administration.

Hon'ble MLA, Sonari LAC requested the BDOs for expeditious and timely implementation of the various schemes being undertaken under AAGY. He urged the EE, PHED for timely implementation of JJM schemes encompassing the 4
